## Roadrunner Community Exploration Activity Instructions

Getting to know a large campus can be a daunting experience. Having to do this remotely is doubly so. To create a sense of community and belonging for all our students, we have created a set of activities to incorporate in your virtual classroom. These activities are designed to acquaint students with the Roadrunner community and help foster a sense of school spirit while learning remotely.

Creating a sense of community during this extraordinary time is key. These activities are suitable for new students who need to learn more about their new campus setting. It is also great for current students who may have not had the chance to connect with the campus previously beyond attending class. The activities can be incorporated in their entirety as a set or individually. The most helpful activities are RCE 0, RCE 1, and RCE3. The following is a description of each activity.

**RCE 0- Helpful Links:** This is a supplemental document with some helpful links that students should be aware of. It includes information that links them to the

**RCE 1- General Services:** This will introduce students to the most used services on campus. It will encourage them to learn about what they specifically offer students, how to get in contact with them, and how to connect with them on social media.

**RCE 2- Major-Specific:** This activity is designed to encourage students to create a resource toolkit that is specific to their major as they connect with their college, department, and additional services such as Library Services, the Career Center, and One Stop.

**RCE 3- Campus Life:** This activity is designed encourage students to remotely explore the San Antonio community, school spirit, campus history and culture, and the physical campus as once it re-opens.

**RCE 4- TRC Academic Success Coaching:** This activity was created by the Tomas Rivera Center. It introduces them to their department and encourages students to learn more about the tutoring and studying resources they have available for them.

**RCE 5- TRC, ACE, and Downtown Office:** This activity was created by the Tomas Rivera Center and encourages students learn more about their scholarship program and about their downtown office location.

**RCE 6- Career Center:** This activity was created by the Career Center. It encourages students to dive deeper into their website to explore specific services and digital resources available to them online and in person such as the Career Closet.
