**Campus Selfie Exploration**

Once our campuses safely re-open to students, here is an activity to complete while socially distancing. Below is a list of well-known markers from Main Campus and Downtown Campus. As you make your way around campus, keep an eye out for these markers and snap a selfie in front of them to capture the moment.

For a little history on six markers listed below, and additional insight to some of UTSA’s historic traditions, [check out this issue of Sombrilla: Traditions and Icons.](#)
